“ *I have so many memories of Dennis. He was the most loving man and we always had so much fun. I remember he came over to my place and picked me and my kids up and took us to dinner after dinner we took a truck ride in his old blue dodge and he went down this old back road in morenci and we jumped the hills it was so much fun and well my kids LOVED it even thou they about hit their heads on the ceiling of the truck. Not only would Dennis make a truck ride fun we had fun doing anything we did together. He took me ice fishing and taught my daughter how to drive at 6 lol he also was an amazing chef! He was so handsome did I mention that he had the most beautiful eyes they were as blue as the ocean. He had a heart of gold and would do anything for anyone. Protective of his daughter and son and grand kids. He was a very good man and will be sadly missed by everyone that knew him. I will go on loving him forever and a day.
My love goes out to his family.
Love, Christa*

You were loved by so many many people Dennis 😞 I wish someone could have helped you. So many people tried. But you always kept up appearances and that wall that surrounded your pain that only the people who knew you really well knew you had. Everyone loved you ❤️ I wish you knew that 😞
