“ We are saddened to hear the news of Diane's passing. She worked for our company at Blissfield Place Assisted Living. She will be remembered as having the utmost compassion for her residents, a very smart lady with the gift of common sense, a rule follower but fierce advocate when needed, and a worker dedicated to her mission. She was truly a God send! Her life of service to her community and especially to her Lord, will not be forgotten! We know the rewards stored in heaven waiting for her are as many as the stars! Love, The Drews Family
