“ Don, you have been around since i was a kid. We had fun at Dad's restaurant, and at the campground. Give my Dad a hug. He thought the world of you and you did of Dad. He used to tell me stories about when you first came to Michigan as a little boy. I'm going to miss you. We had lots of conversations over the years. Take care of the gardens and catch a big one. Love you. In my heart you will remain forever. Jan Henley
