“ *May the peace which comes from the memories of love shared, comfort you now and in the days ahead. May the comfort of God help you during this difficult time.
Words seem inadequate to express the sadness we feel. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. You have my deepest sympathies. Our hearts go out to you in your time of sorrow. I was deeply saddened to hear of your loss. My thoughts are with you and your family.##imported-begin##Manuela Nieto-Goodrich##imported-end##*

“ *Bill, Jamie & families, Please accept our condolences. I could not believe the news when I heard it. I often think of you and Don when we were all growing up, going up north and going to your house in Adrian. Due to illness, I won't be able to come to Adrian to see you & your family, but know that you are in my thoughts and prayers. Harold told me about seeing you & Don and was glad to get to talk to you.
