“ My thoughts and prayers are with you all during this difficult time...I had the pleasure of taking care of him @ Provincial. At the end of my shift I would always tell him to hold the fort down for me while I was gone and in return he'd say "there you go." :) Rest in peace Don....##imported-begin##Trina Stepansky##imported-end##

“ We are sorry for your loss of Rogers Uncle Don.As a child Rogers mom always said if you want to grow up and be like your uncle Don you have to eat all the crust on your bread or you wont grow up to be like him.He was Rogers favorite Uncle.Last wed Mom and I went up to see him and he had a awesome day ,he picked on me like he always did.she had such a great day with him we got pictures of the two of them together..Then Sunday we went to the nursing home and he whispered he loved her very much and he dosed off to sleep ,I know he was in no pain but God wanted him more then us,so he slipped away for that I am happy for him no more pain,he is with his loved ones in heaven.May God speed for all of you in this time.Please give your life to the Lord and you will be with him again real soon.God prepared a place for him.Rest in peace Don everyone loved you.For that I feel your sorrow.Love Darlene and Roger##imported-begin##Roger and Darlene Terrill##imported-end##
