“ God bless you Mike and your family in your time of loss. I lost my mom Dec. 5 this year. It was good to see and speak with you at the store the other day. Let's get together and share some laughter as that is what our relationship has always been. The Bible says that laughter is good medicine. Give my condolences to all in your family. God gives us our good parents that instill things in us that we pass on to our children and grandchildren on through the generations. I hope she also passed the coney sauce recipe on to you. “ I am Kenneth Stange's sister and my husband and I moved into Grand Court about six months ago and wanted you to know how helpful your Mother was in getting us acquainted. My husband, too, passed away at the Lenawee Medical Facility about six weeks ago. When I visited him I usually stopped by and had a visit with your Mother. The last time I saw her which was around November 10th she seemed to be slipping and so I wasn't surprised to hear of her passing. There are a lot of things worse than death in this life. At least she was at peace.....
