“ *Grandma, you have been with me all of my life no matter the distance I've carried you in my heart. You are the person I looked up to the most. And living with you for 17 years shaped who I am. So glad I got to be with you in the end. Love you! Buffy Hong*

Doris sat in the pew in front of me in church and every Sunday we would have a wonderful chat before church started. She was a precious lady and lived a good Christian life.
