“ *We were so sorry to hear of Aunt Dorothy's passing. I didnt find out until the night before so we were unable to attend the funeral because of plans we couldnt change. Judy and Jimmy, you have our deepest condolences and also the rest of the family. I will always remember the visits to Aunt Dorothy and Uncle Jims house and the big family dinners with us all together around the table for Christmas and other holidays at Grandma and Grandpa Underwoods farmhouse. When my mom passed, it was so comforting to hear Aunt Dorothy's voice in phone calls, she sounded so much like my mom. I will miss her smiling face. We send our love and prayers that you will find God's comfort in knowing she has gone on to a better place with no more worries or pain. You'll be in our thoughts. Love, Kathy and Gary Peters*

“ I just found out late yesterday afternoon. I regret that I cannot make the service on such short notice.

I am so sorry.

It is sad that the family has not been close since my grandmother Mildred passed away in October of 2005. She kept us all together and informed.

I have some fond memories of the visits we would take to see the family.

My dad (Howard) would usually drive and my Parents (Howard & Nikki), Grandparents (Bill & Mildred) sister (Michele) and I would pile in the car to spend the day visiting my Grandmother's side of the family.

I remember Aunt Dorothy's yard and the beautiful flowers. My grandmother had the same love and it was great fun to see the two sisters talk about their yards and various flowers. Uncle Jim was always a hoot and all the kids loved him.

We would make the rounds and see most everyone.

Grandpa and Grandma Underwood when they were still with us, Uncle Eddie and Aunt Susie usually at the business and as many of the rest of the family as we could .

We didn't see Aunt Jean much as she moved away.

I really enjoyed those days and I am sorry I have not made an effort to continue.

My thoughts and prayers go out to all of Aunt Dorothy's family and friends.

“ One of the only pictures I had of "Grandma" Dennis that has survived the years. I will always cherish the memories of her and all the love she showed my brother and I even though we were not really her grandchildren. RIP Grandma. May you be in peace.
