“ *OMG I am heartbroken to hear of Dorothy's passing I was in the hospital in December n just got out last Friday 1-6-23. I didn't realize she was sick. We talked whenever we saw each other n I was sick in December n spent 5 days in Toledo Hospital then again in January 23. What happened the lady that I saw her she never said a word about being sick. When I am better n the weather is good I am going to go to the cemetery n put some flowers on their grave. I feel awful about her passing. Dot was an awesome person always had a smile on her face n was so funny when we were talking Meijers lost a valuable employee it won't be the same when I go back in Until we meet again Dot*
