“ *I remember Dr Eddy from church when I was little and from earlier this year when my father was on the same wing as Dr Eddy for a time at LMCF. He was always a dignified gentleman and a very nice man. Our family remembers when a church member suffered a seizure or something one time in church and how Dr Eddy came to her aid and stabilized her during the service. Our prayers are with his family.##imported-begin##Tom Rink##imported-end##*
