“ Denise and family... My heart, thoughts, prayers and hugs go out to you. Denise, I saw the glow on your face when you married this man. I am so happy for you that you got to experience that joy & love. We don't understand God's ways and His will at times. We have to put our lives and our will and our everything in His hands and tell him to take the wheel. I am here if you need to talk. Love ya girl!!
