“ *Living so far away I never got to spend a lot of time with Uncle Eddie , but I have and will always cherish the time I did get to spend with him. I remember when he was down here in Florida when I was about 6 or 7 and he and my dad taught me how to ride a bicycle for the first time. I loved hearing his stories about White water rafting and going to Egypt and ask the other fun things he enjoyed doing. I will reply miss him until we one day meet again. To our family , I love you guys and so wish that I could be there with you all now. Sending all my love from Florida , Stephanie Helen (Cantrell) Bowles*
