“ *My heart-felt condolences to Eddie's family. My dad and Eddie were great pals, and I think my dad found small remodeling jobs just so Eddie would come by often. I know each of you must have wonderful memories of special times together. He was always cheerful, looked at the bright side of life, and I never heard him say an ill word about anyone. What a great man. Know that I am thinking of and praying for each of you. As for Eddie, well he's already cozying up to your mom, giving fatherly support to his children, sharing donuts with my dad, and making plenty of new friends.*

*God Be with each of you,
