“ *So sorry for your loss Aaron & Jennifer, she was such a beautiful and kind lady, and a great neighbor. We can't believe it's been 12 years since you lost your Dad. She was always so thankful when I blew the snow off her sidewalk. She use to walk by our house all the time, she will be missed.*

My mom and Elaine were childhood friends. Her memory is fleeting but asked me to call Elaine today. I called. Then I found this post. Sorry for your loss.

“ *To Elaine's Family,*

Your Mom and Grandma was a delightful person to be with and traveling with her and the group that we drove to business school with (many years ago) and seeing her at LCHD (I worked in the same building) only brings back memories of happy times.

May your hearts be filled with warm thoughts and treasured moments.
