“ *"Best Grandma Ever" - I miss you so much....I cannot believe it has been two years already. I miss our chats every week for hours at a time. She was ALWAYS here for me - a hug, just listening, even singing me a ditty to put a smile on my face. She gave so much love to so many. She being the Best mom, grandmother and great grandmother plus a friend to many - all a huge Blessing to us all! I am honored to call her my Grandma.*

*I miss you terribly and love you.... Thinking of you daily. Much Love,  
your Holly Dollie*

“ *Betty was a AWESOME lady inside and out! She lived across from my mom at Brookdale and she was a "breath of fresh air" whenever I would see her! We will miss her beautiful smile ... she will never be forgotten. You are in our thoughts and prayers. Love, Helen Shelley and Jan Wegner*

“ *My Mom was a unique and strong woman. Her greatest gift to me was bringing me to church where Jesus became my Savior at age two. Her strength in fighting this horrible cancer was an inspiration. The dozens of people who loved her in her every day life was amazing. I'll always love and remember our fun times together Mom. Have a wonderful reunion in Heaven with Dad and all our loved ones who are there to greet you. Thank you God for putting a loving Mother in my life.*
