“ *It was a joy to know your family and watch you two growing up in church each Sunday. Those were wonderful times. I did see Fern the last time I was in Tecumseh. I was going to send a card but without an address, this is my way of saying, my sympathy and I am glad to have known all four of your family. She will be missed but I know you have wonderful memories. Polly Judd, Dowagiac, MI*

“ *I remember Mrs. Morse from my days as a Rainbow Girl. She was always very nice to me and very supportive of the organization that meant so much to me as a young girl. When I got married she gave me a recipe for lasagna that I still use to this day. It is a family favorite and I have always thought of her when I make it. Rest in Peace Mrs. Morse, never to be forgotten.*

Dear Dear Fern. ...always so thoughtful and considerate. She seemed to understand the struggles I endure. It was comforting to me to have her say she was "thinking of me that she knew I was working hard in this role of caring for my aging and ailing parents". I can't afford to loose any friends but I lost a good one this year. I will miss you Fern. We all love you. Peace and rest are surely with you now. Cyndi, Elaine and Steve too
