“ *I met Fran a few years ago when my father lived across the hall from her at Gaslight. Seeing her wonderful smile and beautiful hair made his day. After his passing I would see Fran several times a year when we would go to the Crosswell. She would have many people come up and say high or share a memory with her. She was a wonderful woman. That I was lucky enough to know. You were a blessed family to have her in your lifes for such a long time.*

“ *Fran was a beautiful woman inside and out. She and I could sit an visit for hours. I think I loved her because she loved and cared about my husband Ferenz Whitman when he first came to Blissfield and was searching so much to be loved. I never knew anyone to be so content when they had to move to an assisted living facility. I am sad to remove her name from my mailing list. I know she loved God and is happy to be reunited with Bud. My thoughts and prayer are with each of you. May God fill your life with peace and comfort.*
