“ *Dear Julie, So sorry for your loss. I have the fondest memories of staying with your family so I could finish out the year at Victorsville School when my parents moved to Adrian. I still have your picture on my wall. I think of your family often. May you know you will always be in my heart. Love, Kay###imported-begin##Kay (Van Loocke) Sneary###imported-end##*

“ *Hi Julie! Your mom brought in no-bake cookies to you when we were in Palmyra elementary school. I loved 'em and you brought in the recipe. That recipe has been used by my mom, me, my sisters and now my daughter and grand-daughter. Your mom will be infamous because of her no-bakes to us!!
You have my sympathies Julie.

“ Thinking of you Julie, Our thoughts are with you we always thought Of Fannie as Aunt Fannie. I remember the times my sister and I would ride our bikes over to see her, On Horton Road and how much she always took time to visit my grandma. Take Care! “ Dear Julie
It has been many years since we have seen you. we did stop occasionally to visit with your parents and Jerry. We visited her in the medical facility and though she didn't talk I felt she still knew who we were. the last we saw her was in March and I took a picture of her. Doesn't seem possible but we have been here for 36 years. We never forget our friends. Our condolences to you Barb & Russ##imported-begin##Russell & Barbara Nieman##imported-end##
