“ Dear Tom and family,

*I am saddened at the death of your Father. I learned about his passing through the internet from my daughter's home in Myrtle Beach and Nancy is in Florida as well so we will not be able to attend the services. We want you to know that our thoughts and prayers are with you and your family in this time. I feel terrible that I am not able to attend and to see you. I know that everyone loses touch over the years but it sounds like you and Mary have a nice family that your Father would have been proud of.*

*Again, our condolences and apologies for not being able to attend.*

*Sincerely,*
