“ Garry became my stepdad in 1980, when he married my mom, I was 14. He was a wonderful, caring and hardworking man, who helped raise my brother and I. I remember all the times we went snowmobiling at devils lake and sledding. I’m not sure which direction my life would’ve went, if it hadn’t been for Garry, so I’m very thankful for him coming into my life, when he did. I will cherish the memories of him, when I was growing up. RIP 🙏❤️ I know you’re in no more pain and resting peacefully, but it hurts 🙏

“ I have not known Garry near as long as many of you but he sure knew how to be a friend. And a good one he was.
Taco Wednesday at the American Legion will NEVER EVER be the same. Going to miss those good times.
