“ Words can not express how saddened I am at this moment. Knowing that he is gone. This is someone who helped guide me and shape me into the woman I am today. It's just so unreal that someone with as big of a heart as this man, was taken so early. Goes to show that He had a bigger plan for you above the clouds. He impacted so many lives with his smile and soul. For that and the many great memories you left me with, I am honored to call you my grandfather. I love you grandpa. Forever and always will remain your Knuckle head and most importantly, your Tay💕💕

“ The last 8 years that I have known Jeeper being with my mom. He accepted me and my kids like we were his own. We have had our up's and down's but he was always ultimately there. My kids loved him so much. He loved all of us. He always pushed and pushed me to do better. Never to give up. There are so many memories I have. Most of all he had a heart of gold. I love you Jeeper. Now your with my grandpa and diane. Please guide and watch over all of us. I will see you again.
