“ Words are almost always insufficient to convey our sincere and emotional feelings at times like these.

Joel and Phil, you are part of my earliest childhood memories that go back to the early 1950's. Along with your precious mom, Junior, Randy, and yes, even Danny. On occasion, some of those times seem like yesterday. In addition to those times, I will never forget the closeness between your mom and my own mother for 60+ years. She spent countless hours with my mom in the last few weeks of her life, which was so characteristic of your sweet mother. May God cover you with His Grace and comfort.##imported-begin##Gordie & Colleen Averill##imported-end##
