“ *Dear Schlessner Family,*

*I worked with Geri at Faraday, her and Joan Raper are two of my favorite people from Faraday. Joan called me last night to let me know about Her best friend Geri. I visted Geri a couple of times up at Medical Care facility. This is when she first moved in, we had nice visits.*

*When I first meet Geri at Faraday she gave me a nick name "Ginger" due to I have red hair. I will always cherish my memories of her. She was a warm and caring lady, also had the best personality.*

*I am sorry for your lost, she will be missed.*
