“ *Even though Gloria and I haven't kept in touch since our nursing school days, I can tell you her death feels like a punch in the gut. I spent 2 1/2 years studying, worrying, driving to school with her. We had so much in common. Early marriages, had 3 kids, becoming nurses TOGETHER . Ppl at school thought we were sisters because we were always together and even looked a bit alike. She made nursing school such a great experience because I got to spend it with her! Her sense of humor and her laugh will always be with me. My prayers and thoughts are with you*♥♥

You always held a special place in my heart. You helped me to build my confidence when I was wet behind the ears and always greeted me with a huge smile every time you passed me in the hall or came on to the unit. You were a very special person and you will be dearly missed. Prayers of peace and comfort to your family. RIH

“ Oh Glo. I loved you! You were my very first manager when I got my first big girl job. You were amazing to me! Always understanding, always encouraging, always listening to me vent. You were such a fun person to be around. I never felt like you thought of yourself as above us just because you were our manager. I cried when our unit closed and you were no longer "mine". I was jealous of those who worked for you, and I've never had another manager live up to the manager you were. I have So many fun memories of you! From our 3c Christmas parties, my wedding, MY BACHELORETTE party! (I have The BEST photo of her, but don't want to post it here from put-in-bay/my bachelorette party .. use your imagination :) You were the matriarch of our 3c family. I'll never forget, at one of our Christmas parties, I was humiliated because my husband had too much to drink and was acting like a fool in front of "my boss" but she just laughed and laughed. My thoughts and prayers are with Glorias family. She always talked about the boys and her little Gia. She was so proud !

“ My deepest condolences for the loss of Gloria. She was my Director here at Divine. Over the past few weeks she trained me personally and took me under her wing to teach me all she could as a new nurse. I'm very grateful for that experience and I hope I take much of what you taught me throughout my career. I Feel extremely blessed to have known you and I enjoyed your presence. You will always be in my heart. -- Day Scott <3
