“ *My mother Geri Schlessner and Grace were prayer partners. They prayed for each others needs. I remember a time when Grace's prayers played a part in my life. My daughter was held by gun while working at a restaurant. When my mother called her to pray she was already praying as she was woke from a sleep to have a need to pray for my daughter which was also my mom's granddaughter. It was then I saw the closeness of their pray partnership.*
