*Our warmest wishes and condolences to Greg's family and friends. We have worked with Greg for countless years and I always found his warmth and sincerity to be comforting during our visits. Although our relationship was professional, our conversations always turned to family and how everyone was doing. He would always remember my wife and daughters name. He was an asset to the industry and will be greatly missed.*

“ Greg was such a wealth of knowledge to all of us here at Steel Tool & Engineering. Always right, cheerful and a real shining star when things were not going as expected. I know the feeling of loss we feel here is small compared to those of the family. Thank you to the family for sharing Greg with us. STE Dave George

“ I always enjoyed talking with Greg about his family and grandchildren. We both had grandchildren born about the same time and we enjoyed sharing pictures and stories of them. We talked about Blissfield, since I have family that live there. My thoughts and prayers are with all of you. Greg was great guy to work with.
