“ Greg was the most optimistic person I had ever met. He could always make a negative situation into a positive one. I will miss spending hours upon hours with him and listening to the wonderful adventures he had gone through out his lifetime! He had an infectious smile and always found a way to bring out the best in people. Greg is missed beyond words.

“ I will miss you beyond belief, Greg. You and I have been a team for a long time through good and bad times. You have always been our adventure seeker and you have lived your life your way. I will miss so much about you, but most of all our Friday nights at the Fox Hole with our little gang. We love you so much and will keep you in our hearts forever!

“ Sleep well my friend. I am going to miss those Monday porch chats and rides to the Boothill and Highland. And never again will I hear a Pink Floyd song without your memory coming to my mind and a smile to my face.
