“ *We have missed Helen ever since she moved from Statesville, but were happy that she could be closer to family in Adrian. I especially missed the weekly prayer times she held in her home the last few years before she moved. She was indeed a prayer warrior for anyone she came in contact with. I remember we prayed for a Walmart greeter who was in a wheelchair whom I'm sure she greeted with that wonderful smile of hers. She may have seemed fragile, but her faith in Christ was rock solid and I'm so blessed she shared that with me. Sandra Overcash*

“ *Michael,*

I would like to express my regret upon hearing of your Mother's passing. She will be missed.

Helen and I had many talks, and from them I learned that she was a good woman, a religious woman and that she brought much joy and happiness to John Law, my Father. It was a blessing that my Father found her. I'm sure my Father would agree with that sentiment.

*My condolences,
Jim Law*

I hated when she moved from Statesville NC.

“ I loved Helen, she was always an encouragement to me and an example of how to be a loving christian woman. She was missed when she moved from Statesville NC and remembered with great fondness. My sympathies to her family but I know where she is, rejoicing always with her Lord. She joins my friend John, my mom and dad!

“ I was very dismayed to read in the Telegram of Helen's passing. Being a sister-in-law of Jack Law I knew her quite well. and from the moment I met her I also met (in her) a great person, a loving one, a true Christian lady. In my visits to her since then I discovered a woman I could emulate as a mentor and close friend. Our many conversations are a part of the treasures I have filed in my mind, and recall often.

My sympathy goes out to you and her family, and I will keep you in my prayers.

I enjoyed the company of Helen in the short time I knew her. Helen and my Dad married, the second marriage for both, and they brought each other much happiness. I remember their wedding with fondness and extend my condolences to her family.
