“ I can't imagine a life with as many new adventures as my Aunt Helen's. Between technology's and babies... all the new things she saw and lives she touched. She's epic and I will forever be in awwww of the life she lived and person she was.

“ Dear Helen, one of the sweetest ladies, is now in the arms of Jesus. My name is Melodee Hoff, wife of Darrell Hoff, who passed in 2024. My in-laws, Gerald and Velma Hoff were best friends of Elwyn and Helen. I remember them spending every Christmas Eve with the Hoff family. God bless you for caring for Helen these past years. Peace of the Lord be with you.
