“ Thanks for caring for me, and my sister and brother, for 2 weeks every summer. It couldn't have been that easy on you, but it sure was nice. You had beautiful homes, wonderful yards for playing, and open hearts. I'll always like Rummy and Skip-Bo and the Detroit Tigers. I'll always LOVE homemade zucchini bread and mince meat pies.

We love you Aunt Helen. Rest in peace. You deserve it.

Your great nephew, Mark S. Fortress, plus Cindy, and Elena Grace Fortress.

“ What a lovely photo of your Aunt Helen. I never had the privilege of knowing her personally but certainly recognized her. I was told of the family connection by my mother, the daughter of Amelia Schultz. Gordon and I discussed the family tree at one time. I also know that she worked at the Telephone Company where my mother and sister and other family members also were employed. She lived a long good life. May happy memories of her and your family be of comfort in the coming months. Kathy Green
