“ I know this is late, I hope her family sees this. I worked with Helga and she was the funniest most kind person I could think of. I was just telling stories about her and looked up. RIP Helga I am glad I knew you.

“ Sandy and family, I'm praying for peace and comfort to sustain you during this time of loss. I'm happy to have met Miss Helga the times when she came in and waited for you while you finished your shift. She always greeted me with a smile when I would ask "How you doing, Oma!" It brought back sweet memories of my own mother who was also from Germany. I know this pain of losing a mother/grandmother but know in your heart you were the best Daughter and family she could have hoped for. The way you cared for her in her sunset years is a perfect example of how we should honor and care for our elders. God bless you and replace your sorrow with cherished memories 💔🙏 If you need anything, I'm a phone call away.
