“ *And if I go, while you're still here...  
Know that I live on,  
Vibrating to a different measure -- behind a thin veil you cannot see through.  
You will not see me, So you must have faith.  
I wait for the time when we can Soar together again, -- both aware of each other.  
Until then, live your life to its Fullest,  
And when you need me, Just whisper my name in your heart, ...I will be there.

“ Jackie, I am sorry to hear about your loss, we just came back this weekend from my wife's father's estate sale where the family sold off all the old tractors and his equipment signifying an end of an era for the family, no more thoughts of returning to farming. I see Ira was an auto man just like my father, again we wish you and your family well during this time and know our thoughts and prayers are with you.##imported-begin##Phil and Pam Carolan##imported-end##
