“ I called Jack “3 Peet” because he was selected by his basketball teammates three times as MVP. It was an honor to coach Jack in three sports. He led his teams to championships and was the ultimate teammate in that he always was a team first guy. He earned many individual awards but was most proud of the team achievements.

*He was a wonderful roll model for his teammates and all of the Royals who followed him.*

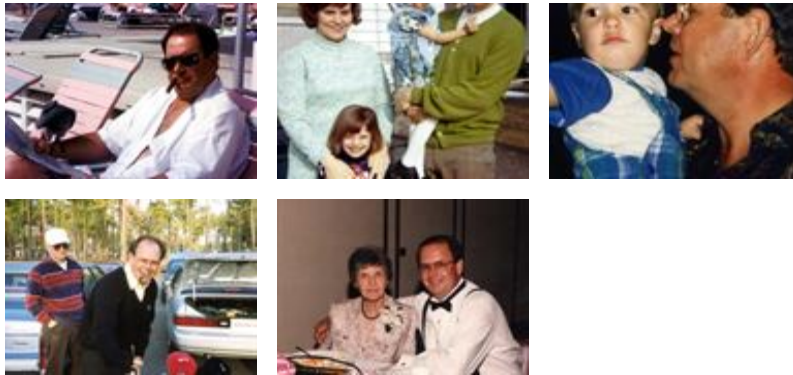

*May this good and honorable man Rest In Paridise. Coach Al*
