

Dr. Jacqueline "Jackie" Lilac Youngs

October 13, 1955 - June 4, 2025

Dr. Jacqueline "Jackie" Lilac Youngs, 69, passed away peacefully in her home in the arms of her husband, Dr. Richard "Mooch", on the morning of June 4th, 2025. She was born in Detroit, Michigan on October 13th, 1955.

Jackie graduated from Southfield-Lathrup High School in 1973, the University of Detroit with an undergraduate degree in 1977, and the University of Michigan's Schools of Hygiene and Dentistry in 1979 and 1985, respectively. Following graduation, Jackie married Dr. Richard "Mooch" Youngs of Adrian, Michigan on October 19, 1985. This year marks their 40th anniversary of marriage.

Jackie practiced dentistry together with her husband in Adrian, Michigan for 37 years. Her thoughtful approach to medicine made her colleagues and patients feel appreciated, seen, and deeply cared for in a manner that transcended dentistry. She ensured you always received the best possible care while remembering every detail about you and your family.

Jackie found tremendous joy and expressed her love through simple and powerful acts of kindness such as a thoughtful card, never-missed birthday well wishes, or platter of her decadent coffee cake. Her kindness and generosity to those around her continue to be felt.

She was predeceased by her father and mother, William and Olga Lilac, and her sister, Susan Lilac. She is survived by her husband, Richard “Mooch”; her two sons, Ian and Johnny; and her Jack Russell terrier, Jerome.

A memorial visitation service will take place from 4 to 8 p.m. Wednesday, June 11, 2025, at the Wagley Funeral Home in Adrian, Michigan.

In lieu of flowers, contributions in her memory may be made to the Lenawee County Humane Society, <https://lenhumanesoc.org>.

Jackie’s unwavering love will forever be carried with us.

“ *What a lovely person. ☐ Too young. She was my dentist for nearly 20 years—always so pleasant and kind. She once told me that if she hadn’t become a dentist, she would have liked to have become a sculptor and art teacher. My condolences to Mooch, her boys and the whole family.*

“ *Jackie was one of the finest people I have ever had the privilege to know, a very special person, thoughtful & kind. Jackie & her family were some of the first friends we made after moving to the lake over 30 years ago, and having children the same age, our families were fortunate to enjoy many fun summers together. We will greatly miss her stopping by for a chat while out walking with her dogs - first Lucy, then Jerome. I will forever treasure the colorful garden gnome she surprised me with, although I'm sure I wont do justice to her paint refresh !*

Godspeed Jackie, we love you, thanks for the memories & the friendship.

“ *Shocked and saddened by this news. Dr Jackie was one of the sweetest people I had ever met! We'd talk horses (as much as you could with someone working on your mouth) when I'd have appointments..her 4 legged pup at that time was a JRT named Lucy.*
