“ *My deepest sympathies to all of Jim's family. Jim was my sales manager at Raymond Ford. Jim built the finest sales staff in the area for my dealership and always was extremely dedicated to our success. Unfortunately, extremely high interest rates, our gas guzzler cars & trucks, and poor quality lead to closing of our business after 70 years. But it was not for the lack of trying that lead to my closure of the dealership. Jim and I always had talked about where the industry was headed and I am sure it was no surprise that eventually GM and Chrysler went bankrupt. Sorry to miss the funeral but I was out of town for Christmas. Again, my thought are with you. Regards, John###imported-begin##John Raymond###imported-end##*
