“ *So sorry to hear about "Uncle Jim". My thoughts and prayers go out to you. I wish I could have been there to share in his memories today. I will always remember his smile, his laugh and his great sense of humor. I seen him a few summers ago and hadn't seen him in awhile and he gave me the biggest hug and kiss on the cheek. He had such a big heart. He will be missed by so many as he touched so many lives. Till we meet again... Sheila VanDoren Frederick*

“ Since the time when Jim was born, I loved him! Helping him and Ruth in their quest for decent jobs was so much fun. It was my pleasure to do so and we had lots of discussions and sharing in the process! I hoped that reconcilliation might come in this 10 year span, but now it is up to God and our parents to bring it about. I pray for that and for the family which I always will remember with all the love and good times . K.

“ Jim, Thank you for showing me that I COULD love again! I will cherish the memories we made together and the talks we had together about Ruthie and Bill bringing us together so we wouldn't be alone until we joined them in Heaven! Now, I am alone and the 3 of you are in God's House! I cannot wait until the time that we can all 4 be together again! never forget that I will always" love you to the moon and back!" I miss you so very much already!!!!
