“*Gary and I loved being with 'Jimmy'! Gary would seek him out and spend a lot of time catching up! And there was always a lot of laughing! He was a wonderful man and one who loved the Lord. I am pretty sure Gary will be giving him a big welcome and a tour, too! And so will Gary's dad and mom! But I also know that you that lost him will miss him and so I will be praying that the Holy Spirit will bring you much comfort!!!*”

“ I would like to send my heartfelt condolences to all of the Tipton family. Jim has been my father’s lifelong best friend and I have so many memories of him and your family throughout the years. I remember spending a lot of time at your family’s house as a child playing with Suzie and riding horses. I also remember our parents spending every New Year’s eve together playing cards till midnight. In later years I know my dad has always looked forward to their Thursday morning breakfast at Beckeys. I know he is going to miss him terribly. I asked him today how long they had been friends and he said that they went to the same church ever since they were babies...so I guess that makes 88 years! Thats got to be a record long friendship! I really wish I could be there for the memorial but I’m in Florida right now so will not be able to attend. I do want you to know that I will be keeping all of you in my thoughts and praying that God will give you peace and comfort.
