As I set here in Florida with clear sky and sunshine that I call my slice of Heaven on earth, it is nothing compared to where you are now. Surrounded by God's Love and healing hand, enjoy the home he has built for you. I lit this candle not for you, but for me so that I can find you when my time comes. I will see you there.

*With All My Love,
Cousin Jack Baughey*

“ *As I set here in Florida with clear sky and sunshine that I call my slice of Heaven, I realize that You are the one who has Heaven and God's Love at hand. You touch so many people in your life and now the time has come for you to be touched by God's hand. I lit a candle, not for you but for me so I can find you when my life has ended here on earth. So hold unto the candle in one hand and God's hand with the other.*

“ *THE FINAL ROSE*
Today is the last on earth
that I shall see your face.
You left this world below;
with such dignity and grace.
I brought you flowers
every day I came to visit
I wanted to brighten your world;
while you where living in it.
This is my final rose to you;
just to tell you one last time.
I love Jane, enjoy the view;
God's Garden has the vine.
Love Brenda

“ *When I first meet Jane I was her boss, but we quickly became the best of friends. She welcomed me into her family and before long we were doing everything together. We did crazy things, waited all night long for fair tickets, Black Friday and cruisin' the strip like teenagers. Jane and the family was always there to support me whenever I was singing and she was right there standing with me when I got married. Jane was the big sister I never had. When my daughter Leah got older I needed someone to pick her up from school and take her to dance, Jane was right there to lend a hand. I will truly miss my BEST friend, I can still here her voice. When I would call and talk with her or visit she would never fail to tell me she loved me and Leah. She has touch my heart forever and I am better for having known Jane. I will thank God every day for sending her into my life.*

*Until we meet again my DEAR FRIEND

“ *My precious niece Jane Ann,*

*When I get home to my Father's land
And stand by His open door,
And feel the welcoming touch of His hand
On that bright eternal shore
And He whispers, Child,
I have watched for thee, Then, Oh,
Then and there will be, heaven for me.*

Jane Ann you have touched Jesus hand!!!

“ MY PRECIOUS COUSIN JANE

*You left this earth today, as I sat by your bed:
I watched as your life slipped away,
with thoughts of our childhood in my head.
Those were our better days,
we laughed and played with out a care.
Under our favorite tree;
where we would play and share,
our dolls and matching dresses;
that gave us pleasure then you see.
My memories of our young childhood,
gave much pleasure to me today.
I'll not forget the special bond we shared
and the summer days we played;
out back of grandpa and grandma's house,
underneath that big old tree.*

*Although I am sad today,
to have to let you go.
I'm also happy just to know,
you are walking streets of gold.
Absent from your body,
you are present with the Lord.
I ask you if you where going to live with Jesus,
if you left us now.
You told me yes and I told you then,
that I could let you go, knowing it was best.
Because I knew then, that I would see you again
and you would have peace and rest.*

*You ask me to hold your hand, until Jesus came for you,
I told you I would promise, to do the best that I could do.
As I held your hand in mine and watched as you slipped away;
I knew the very moment that he came,
you where in good hands today.*

*From my loving hands to Jesus,
I said goodbye for now.
I'll see you when I get there,
I'm sure it won't be much longer now*

*So go to sleep dear Jane,
I'll be there with you soon,
in that beautiful land of Heaven,
God planned for me and you.
Just look for that great big tree up there,
its in grandpa and grandma's back yard.
Some where up there in heaven,
just beyond the stars.
I'll meet you at that big old tree one day,
God created for you and me,
we will play our favorite games again,
for all eternity.*

*I love you Jane
