“ I am so sorry for your loss. I worked under Janet at OSB prior to her retiring. She was a wonderful mentor, coworker and became a dear friend and was like a mother to me. She spoke of her family and grandchildren often. She shared many farm stories and going to the fair. We had many laughs together. God bless your family and let peace be in your hearts and know what a wonderful person she was.###imported-begin###Faith Vogt###imported-end###
