“ I met Janet when she worked at the JC Penney Salon. I got to know her well as Janet and her fellow employees made the salon experience a pleasant one where you felt like family. My daughter and I always enjoyed our visits to the salon. Janet has been our personal hairdresser for about the last five years. Janet was a genuine and caring person who had a knack for making you feel special! The love she had for her family and close friends was evident. She spoke about her family often and was very proud of her children and grandchildren and cared deeply for her mother and her husband, Mike. We are really going to miss Janet and know that God is taking good care of her. Our condolences to her family and friends. Thoughts and prayers are sent to you all during this difficult time.

“ Janet was my hairdresser and friend for over 10 years. Hairdressers become close confidants and friends, which we rapidly became. I shared so much with her, and she never offered judgement or harsh words. She kept me looking my best and always asked about my family and my husband at every appointment I had with her. She only wanted the best for everyone and rejoiced in others' successes. I will never forget her ready smile, her hearty laugh, and her hugs laden with love. When she called me a week ago to cancel an appointment, she sounded scared, and I had a feeling she was getting ready to leave this world. May she find peace and freedom from pain at last. All of us now have a ready ally in Heaven. She will be watching over us all.
