I knew Jannel for over 10 years. She was such a wonderful person and had such great spirit. She had a way of making you feel happy when you were around her. I am truly sad to here of her passing tonight. She will be missed. I'm sorry that I did not get to see her in the last year... I'm praying for her sons and family. I can't imagine what those beautiful boys are going through, but heaven gained a beautiful angel...

“ Jannel, you were always such a great friend. It makes me sad that in the past few years we grew out of touch, I will miss chatting with you. We had some great times. My thoughts and prayers are with your family in their time of need. I know that you are in a good place now where you aren't feeling anymore pain, but the world lost a good person when you passed away. Enjoy your wings my friend.

“ Even though I did not get a chance to really know Jannel. I was touched by her strength. She was a beautiful, strong, amazing person, daughter and mother. I hope that in the days to come you will find comfort in knowing that she is now an angel that can now fly whole again with no pain. You are inspirational parents and grandparents. My thoughts and prayers go out to you. I am so sorry for your loss as it is a loss to all that knew her and for those of us that did not get that chance.

“ *I got to know Jannel when she was my hairdresser. Having a hair appointment with her at Scissors Palace was more than a hair cut. Jannel had a zany, wonderful sense of humor and she turned every visit into a welcome relaxing time for girl & family talk. Knowing Jannel I learned about her two boys and her parents and I learned how much she loved them and would do anything for them. She was so appreciative of her parents and the care they gave to her sons and her. She will be missed by everyone who knew her. Cy McMahan*
