“ Today Linda called me at work to let me know of Jason passing. It is hard to believe that a person like Jason who had a good heart, was full of life and laughter is no longer with us. His laughter could fill the room.....now his laughter will fill the heavens. Jason also had an abundance of love for his mom, Linda.

Rest in Peace our friend, may your laughter continue on.

“ Jason was such a caring, giving person, he came out and walked all day at the Relay for Life in Dundee. We had only known each other a couple weeks, and even with all of his own health issues he came out to support myself and my family, he will truly be missed.
