“ *I am so very sorry to see Jean had passed away. I had the honor to get to know this special lady at Cambrian, There was never a day that she didn't make me smile, even when she was in pain. She meant so much to me, I will always remember her smile, and the way she embraced me when I was in pain (she always knew) and she would set her own pain aside to make me feel better. She always played Happy Birthday on the piano for everybody, to make their day special. I will remember my time spent with this very special Lady. And our many talks when I gave her, her medication, I would always stay for a little chat. Mary Cole former RAS, at Cambrian Assisted Living*
