My husband reminded me of the time Jerry came out to help us with our dryer which required some electrical work. Michael asked him if he wanted him to shut the breaker off. Jerry replied, no it's good. Jerry knew what he was doing. Good guy!

“ Rest in Peace my friend and co-worker !! I will always remember the stories you told, the many many things you taught me as a coworker and as a person with a passion for tools, pocket knives, gardening, and fishing. I think about you and Jackie often.....I wish we could have shared a story one more time.

How my brother-in-law, Bill Haag, loved his brother, Jerry. He would stop and see Jerry and Jackie when he was in the area. Jackie was so sweet that she gave of herself and her time for two days to help me wallpaper an upstairs room when we lived Adrian. Thank you for those who shared their memories today. /Carolyn Barnett Pantier Bill Haag's sister-in-law)
