“ *I am proud to say that I knew an angel in this life named Joan Johnson. We became best friends while still in school. Though the years came and went our friendship always remained warm and blessed. Words can not describe the loss I feel at her passing. But I know that we will be together again with God.##imported-begin##Ollie Lorraine Crews##imported-end##*

“ Though we may not be directly related, I feel a connection none the less. I'm a decendant of the John Johnson family of Jackson county whose nextdoor neighbor was Mr and Mrs Lester Bates. Uncanny. John's father had many brothers, so the possibility is there. My heart is saddened by your loss. May your hearts be lifted with the joyful memories she left. Let her smile warm your hearts as it has mine. In Christian Love, Paula Austin##imported-begin##Paula Austin##imported-end##
