“ I am so sorry to hear of Joan's passing, and am filled with regrets for not contacting her in recent years. I met her when an employee at Kapnick Insurance, and we created a friendship that lasted many years. Our favorite activities were going to concerts (country singers, Gaithers, etc.), meeting in Jackson for dinner, trips to FI and Nashville - so much more. She thrived on organizing plans for things to do, and there were many of them. I will look for her obituary - Blessed be her memory and may she rest in peace.
