“ What else can I say that has not already been said about Aunt Jo. Even though I had not seen her for many years..I will never forget her great laugh and her funny sense of humor. I think that of all of the family she is one that I think of most often. There will always be a hole in my heart where her spirit remains. I know that her, my mom, aunt Donna and Gram are ALL looking down from above keeping an eye on everyone! I am truly sorry for the loss of your family member but content to know, as we all do, that she is in a far better place.....love you auntie###imported-begin###Sherri Priest###imported-end##

“ To all of mom’s family and friends: Thank you very much for all of your thoughts and prayers. Here is a small portion of an email mom sent in “2004” titled “A Mother’s Journey”. I have saved it knowing one day I would need it to share with others. . And the mother said, "I have reached the end of my journey. And now I know that the end is better than the beginning, for my children can walk with dignity and pride, with their head held high, and so can their children after them." And the children said, "You will always walk with us, Mother, even when you have gone through the gates." And they stood and watched her as she went on alone, and the gates closed after her. And they said, "We cannot see her, but she is with us still. I miss you mom. Love, Jan###imported-begin###jan###imported-end##
