“ I remember Jody from when I was a child. My mom is related to her first husband (they are cousins) and we were all involved with the Church in Adrian. She was so nice to me when I was young. I mowed their grass often and she always kept me full of soda (and she always paid me too much!) I have fond memories of Church campouts with them and Leslie. I was so sad today when I heard she had passed last year. No one in my family had said anything to me at the time I think because my wife had just lost her mother to cancer and her father was very sick as well. I will always remember what a beautiful person Jody was both inside and out. She had a great smile and I will remember that the most. My heart goes out to her family and her children.##imported-begin##Mike Richardson##imported-end##

“ Martha, I don't get to Adrian very often, now, but I have started reading the Telegram online. I only knew Jody for a short time, when we knew each other back in '63 or '64. I am very sorry to hear about this loss of yours. I can't even imagine my child passing away before me. I think you used to talk to my mother a little, from time to time (Lucille Johns). Again, I am very sorry to hear about your precious daughter.##imported-begin##Richard Johns##imported-end##

“ Mom and Dad,
Mom I know you look at this everyday. I want you to know how sorry I am. I cant begin to know how heart breaking this loss is for you, but WE know that Jody is in a better place and finally at peace with herself. It all seems so unreal to think she will not be here for the holidays. Its strange how I have thought about her more now than when I could just pick up the phone and call her. Dont forget what a good mother you were, are and have been to all of us. Jody loved you soooo much..##imported-begin##Gina Cole Helms##imported-end##

“ Dear Martha, Jim and family,
I am so sorry to hear about your daughter and sister Jody. I can't imagine the heartbreak you are going through right now. You have to know however that she is at peace with herself with you and the good Lord. Today I loged on the the funeral home to send you this message and also in hopes to find one there and there was one. It has been so long since I have seen Jody and she looks the same. What a beautiful woman she is. This just brings back so many memories from so many, many years ago. Where does the time go. Please take care of each othe and I'll keep her and all of you in my prayers. Sincerely your old neighbor. Maggie##imported-begin##Margaret Clift##imported-end##
