“ *I worked with Jody back in 2008-9 at Venchurs plant 5. She was my team leader and showed me just about everything there was to know about my job. Such a kind and easy-going person, and a hard worker. I never saw her get mad. Not even once. She had mentioned something to me about moving to Florida back then. I got laid off and never saw her again.*

*My deepest sympathy to her family.. My heart is with you..
Sincerely, Linda Mcclue*

“ You are in our thoughts and prayers. The support and love your family has shown is truly inspirational and a testament to how much Jodi meant to all of you. Jodi and Jim were neighbors of our parents and very kind to them, keeping an eye on them in their later years. If there is anything we can do, please let us know.
