“ *Tracy and Mike: I am so sorry with the passing of your dear father. He was a good friend and I will miss seeing him at car auctions, auto swap meets, or talking to him on the phone. He taught me a lot about corvettes and racing them. There are many fond memories of him and his involvement with the Jackson Corvette Club. He was always there to help or give advice. He always had a smile on his face. He will be truly missed by me and many others!*
